SUNSHINE SMILES
A BIMPE ADEJUMO INITIATIVE

TRACK RECORD

Every child, every place, every year.

2023 to 2025

Dedicated to bringing SMILES to Nigeria's most vulnerable children through education, healthcare, nourishment, and emotional support.

A NOTE FROM OUR FOUNDER

Every child deserves to smile, feel safe, and have a chance at a better future.

Sunshine Smiles Foundation is a non-profit founded by Bimpe Adejumo, dedicated to bringing SMILES to Nigeria's most vulnerable children through education, healthcare, nourishment, and emotional support. Empowering change, igniting hope.

We have helped more than 4,000 children across 6 states in Nigeria, and for more than six years we have shown up for children with relentless love and real impact.

HOW WE COUNT

Every record has an address

Everything we do is recorded where it happened. Each number in this brochure can be traced through five levels, from the state down to the individual child, so a partner can see exactly where support went.

1 STATE	2 LGA	3 COMMUNITY	4 SCHOOL	5 CHILD
2 states	Being confirmed	**4** communities	**9** schools	**50** children

2 states reached

Lagos	50 children
Ondo	6 activities

These counts include only activities with a complete record. Earlier activities are still being added from our field reports, so the totals will grow as each one is verified.

FOR CHILDREN

Christmas Toy & Food Drive

Every December we bring toys, food and a day of celebration to children in our partner communities.

3 years · 6 places

2023

Christmas Toy & Food Drive 2023

December 2023 · Imuagun; Deji's Palace, Akure; Osolo's Palace, Ondo State

Our first Christmas drive, held at three locations in Akure: Imuagun, the Deji's Palace and the Osolo's Palace.

2024

Christmas Toy & Food Drive 2024

December 2024 · Ondo State Special Primary School; Oba Ile, Ondo State

The drive reached Ondo State Special Primary School and the community of Oba Ile.

2025

Christmas Toy & Food Drive 2025

December 2025 · Akure Town Hall, Akure, Ondo State

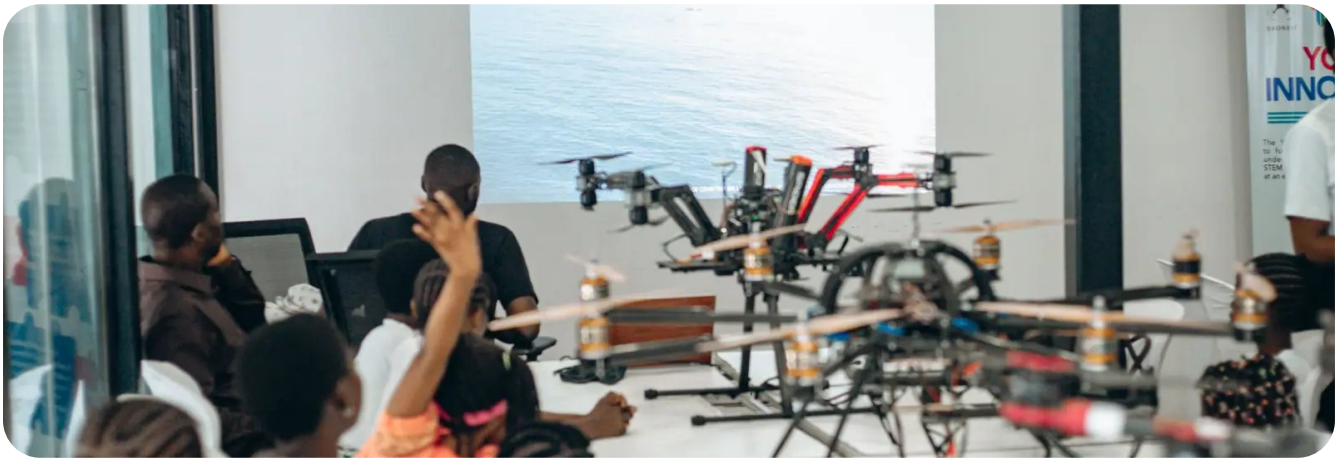

A community celebration at Akure Town Hall.

FOR CHILDREN

Young Innovators Lab

STEM education for low income schools and underserved communities.

2 years | 50 children | 3 places

2024

Young Innovators Lab launch

May 2024 Kotin Academy, Makoko; Mayom Wisdom Academy, Makoko, Lagos State

We launched the Young Innovators Lab with Access Bank, Africa Fintech Foundry and DroneIT, welcoming 50 children from Makoko.

50 children

With Access Bank, Africa Fintech Foundry and DroneIT

Young Innovators Lab stakeholder roundtable

November 2024 Akure, Ondo State

A roundtable in Akure with stakeholders in education and technology.

2025

Foundations for the Future

November 2025 Akure, Ondo State

A partnership with the Federal University of Technology, Akure: teachers trained, laptops delivered to three schools and an e-learning platform launched.

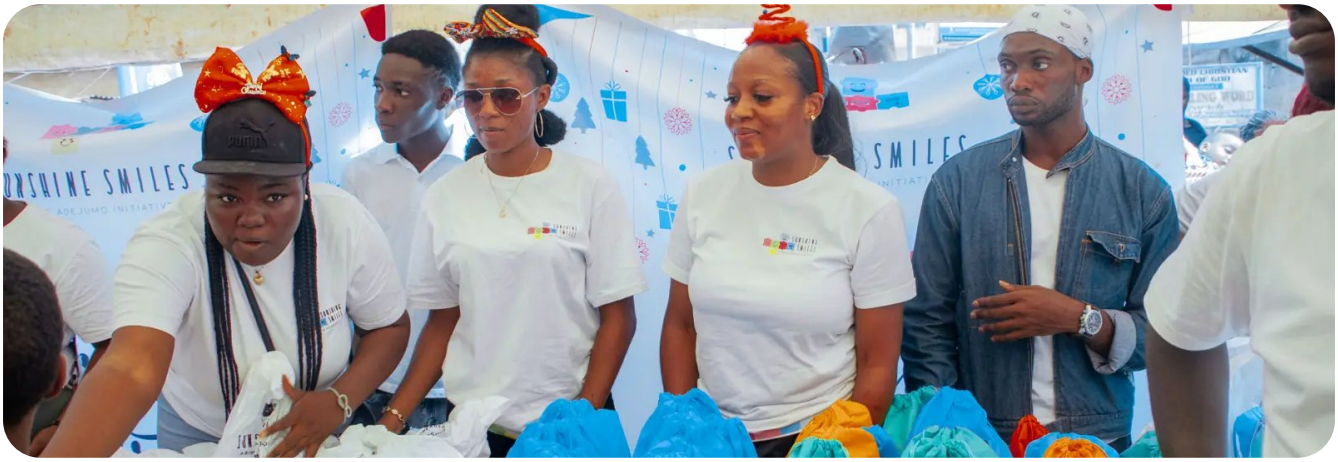

With Federal University of Technology, Akure

FOR TEACHERS

Teacher Training

Training for teachers in our partner schools, so every classroom we reach keeps growing after we leave.

1 year · 6 places

2025

Teacher Training 2025

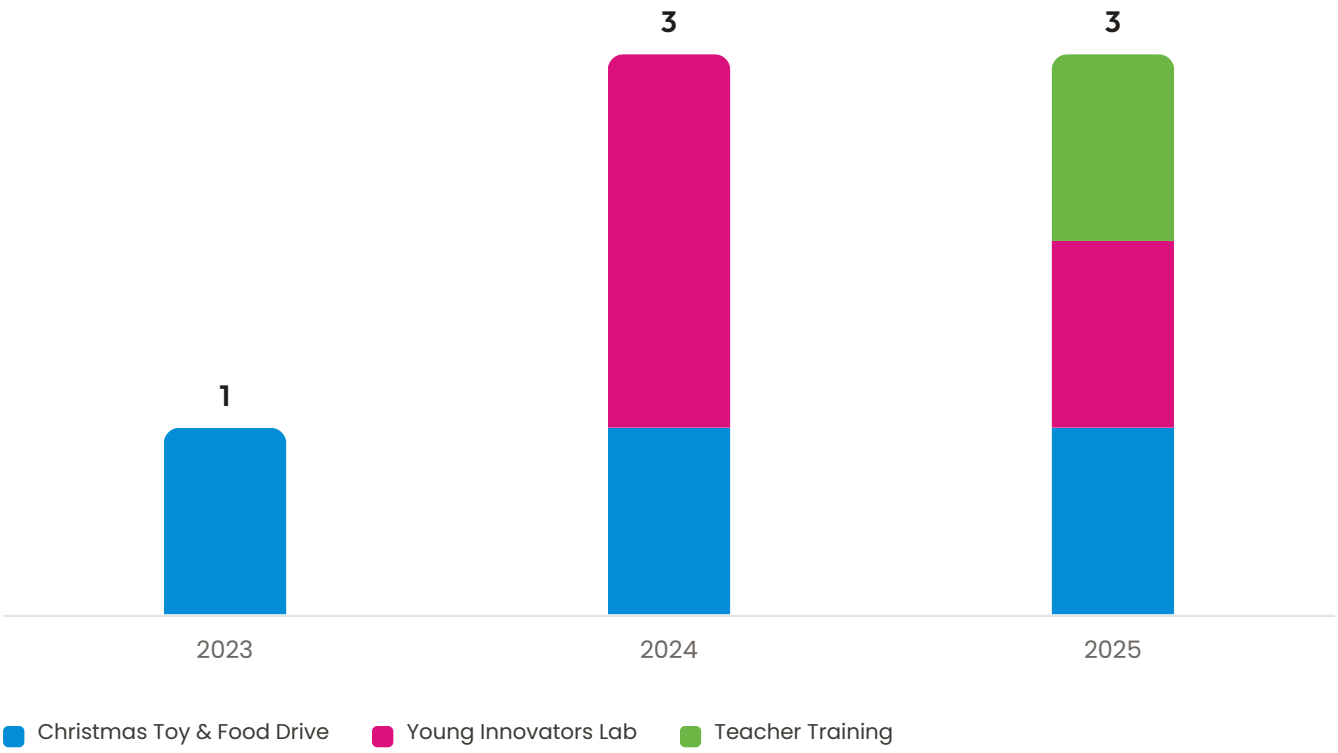

2025 Akure Commercial Secondary School; Akure Muslim College; CAC Adu Memorial; CAC Grammar School Ondo Road; Celestial Church Grammar School; Igoba Community High School, Ondo State

Teachers from six schools in Akure took part in our training programme.

YEAR BY YEAR

Activities recorded each year

Each bar counts the activities recorded that year, by programme. Child counts are being confirmed with our field teams and will appear here once verified.
